

FISHER / SUMMIT LUNCH PROGRAMS

It's time to order more pizza and pitas! A new block of ordering dates for pita and pizza lunches starts the first week of February and runs until the second-to-last week of school.

Ordering is done online at the websites listed below. If you ordered in the fall, please use the same login information. Paper order forms are available at the office.

Don't miss a week! Deadlines for ordering are listed below. If you miss those dates, you can still order for other weeks. Note the weekly ordering cut-off dates.

We're always looking for parent volunteers to help oversee distribution on Tuesdays and Wednesdays. You can indicate which week(s) you are available on the order form.
