**Dear FPSA Students, Parents & Guardians,**

In light of the events that took place over the weekend in the Ottawa area, we wanted to offer the “Get My Kit: First Aid” fundraising opportunity sooner than originally planned. This fundraising opportunity offers families the choice of a variety of First Aid kits and emergency supplies. While we had originally thought this would be a later fall activity, it was recognized that these could have been useful to many over the past weekend.

Funds raised from this opportunity will go towards purchasing new technology for the school. Rather than pushing out chocolates or other products that may be less useful, we hope that these fairly specific first aid and emergency supplies will be practical and helpful for many.

Please consider taking this form to work and offering it to friends and family - students are not to go door to door. You are encouraged to use the School Cash Online system for its ease of use, however, you may also pay by cash or cheque (made payable to Fisher Park/Summit Alternative School). **Please return all forms to the main office no later than October 19th, 2018.** Delivery is expected to be mid-November or sooner.
