Student Organization

Google Classroom

Why?
Homeroom pages
Class Subject Pages
Parent Notifications

FPSA Planners

An organizational tool (optional)
How to navigate Google Classroom

Step 1: Google search ‘Google Classroom’

OR, install the app on your phone
How to navigate Google Classroom

Step 2: Join a class

1. Sign in to your Google Apps for Education account, which looks like name@myschool.edu. Learn more.
2. At the top, click Add +.
3. Enter the class code and click Join.

If your teacher included a class overview, click About at the top to review it.
Parent Options for Google Classroom

Option A: Have your child’s login information, install the app and periodically check their homeroom and subject pages.

Bonus: This allows you to see all attachments and assignments as the students see them.

Option B: Provide your email to your child’s homeroom teacher in order to receive daily or weekly notifications to your inbox (you choose your preference in the settings).

* This allows you to see missing work that was assigned in Google Classroom, upcoming work and classroom announcements

(NB Not all teachers use this function!)

* You can unsubscribe or remove yourself from Classroom at any time

* some emails were missing, if you would like this feature, please connect with your homeroom teacher
Technology

While the benefits of having one's own piece of technology are great, the responsibility of bringing it to school is also great.

- Follow the school rules re: technology **OFF & AWAY**
- Keep it safe in your locker... don't give out locker combinations
- Make certain your name (and contact info) is accessible on your device, should it get lost
- Your teachers do not want to be responsible for your technology

Catch Up Class

Summit will be running Catch Up Class during first break every day. This class is an opportunity for all to complete work and it is an expectation for those who have arrived to class late and missed the beginning of a class.

For those that miss this opportunity when they have been asked to attend by a staff member, an email will be sent home notifying parents that the student was late and missed the opportunity to make up their learning.

Monday Room 303 Ms. McGuinness
Tuesday Room 301 Mr. Herrington
Wednesday Room 318 Ms. Forsyth
Thursday Room 317 Ms. Morgan
Friday Room 302 Mr. Farley
Field Trips

Rational

Frequency
