

## 2018 *Snowhawks' Ski & Snowboard Program for Fisher Park/Summit - Grades 7 & 8*

Registration is under way for the *Fisher Park/Summit Traveller 2018*, a ski and snowboard program for Fisher Park & Summit Alternative students. Key points:

- The program runs after school on four Thursdays – **Feb 8, 15, 22 & Mar 1.**
- Includes motor coach & lift passes; optional: lesson package and/or rental equip.
- Deadline for registration is Jan 22, but the program may fill before the deadline!
- Registration is online at: [registration.snowhawks.com](http://registration.snowhawks.com)
- Note that the school administration and school council do not accept responsibility or liability for incidents which may result from participation. The *Fisher Park/Summit Traveller* is fully operated by Snowhawks Ski & Snowboard School.

### *Snowhawks*

- 30 yrs experience with travelling ski & snowboard programs for children, teens & adults.
- Focus on safety, fun and learning while promoting physical fitness and self-esteem.
- Travel to different hills with our own Snowhawks team of certified instructors.
- For lots more info, see the Skiing/Snowboarding-in-Schools [FAQs on our website.](#)

### *Program Highlights*

- 4 evenings – Thursdays Feb 8, 15, 22 & Mar 1 – incl. motor coach travel and lift passes, twice each to Vorlage & Mt Cascades. Leaves school at dismissal, returning to the school at 9 PM. Students must bring supper, or purchase their food at the hill.
- Great Flexibility: sign up for supervised motor coach travel and lift passes only; or add on lessons and/or rental equipment as required. 70-minute lessons are with the same Snowhawks instructor each week, with small class size (from 4 to 8 students).
- More benefits: 20% off helmets & goggles, and 15% off all other new merchandise for the whole family at [Kunstadt Sports](#), right through Mar 15, 2018.

### *Lessons*

- Required for all beginners** and encouraged for all who want to develop skills at all levels, with plenty of mileage on the terrain that's right for you!
- 70-minute lessons in small groups are taught by the same Snowhawks instructor each week to ensure continuity of learning, and fun. Beginner level lessons run all evening.
- Selecting Ability Level: **Beginner** = never-ever, or just once or twice. **Novice** = snowplowing skier; sideslipping or sloppy-turning snowboarder. **Intermediate** = basic, rhythmic skidded turns. **Advanced** = performance turns, with some carving skill.

### *Equipment, Helmets and Wristguards*

- **Equipment:** Store equipment at the school on program mornings. Or rent equipment for skiing (skis, boots & poles) or snowboarding (board & boots). Note - if renting snowboard and not sure whether you are “goofy” or “regular,” please [email Snowhawks](#) for some helpful hints on determining which foot goes in front.
- **Helmets are mandatory** - Only a ski/snowboard helmet will do! Bike, hockey, riding helmets, etc. are not acceptable. Helmets are **not** included in the ski or snowboard rental package. If you need a helmet, you can rent one separately from Snowhawks.
- **Wristguards are strongly recommended for beginner and novice snowboarders (not for skiers)!** You may buy or rent “Dakine” Wristguards from Snowhawks.

### *Chaperons - Volunteers*

- To volunteer complete the volunteer/chaperon section during online registration. You can also email the lead parent chaperon, Kirsten Dawson, [kirstendawson@mac.com](mailto:kirstendawson@mac.com).
- We require several bus chaperons and one designated driver who accompany the program. These volunteers may ski or ride for free. Helmets are mandatory for volunteers on the slopes! Preference is given to returning chaperons, and to those who are available for all four outings (so that chaperons get to know students, and vice versa), and who can attend a 75 minute info-session on the afternoon of Sunday, Feb 4<sup>th</sup>.
- Also needed: Some volunteers to help store equipment for about 20 minutes before school-day start on (some or all) program mornings.
